Press DZ Dražice extends offer by heat pumps Argoclima

(CIANEWS) - DZ Dražice in cooperation with the Italian company Argoclima has expanded its portfolio with heat pumps of this brand. Argo iM are fully compatible with Dražice indoor unit - HM09A hydromodule. The manufacturer of water heaters will present them at the 34th year of the FOR ARCH international building fair. DZ Dražice is the exclusive supplier of Swedish NIBE products in the Czech Republic and Slovakia.
