Postbus 7
Tiel
4000 AA
Netherlands

The Engineering Test Institute, Public Enterprise, hereby certifies that the initial product type test of the products concerned has been performed in compliance with the requirements of Section 7 (2) of Government Regulation 163/2002 Coll. laying down technical requirements for selected construction products, as amended by Government Regulation 312/2005 Coll. and Government Regulation 215/2016 Coll., with a satisfactory result.

Normative documents applied:
Construction Technical Certificate 202-STO-B-00777-19 of 2019-01-07.

Certification scheme applied: ČSN EN ISO/IEC 17067:2014, Scheme 1a.

The present Certificate has been issued on the basis of Final Report on Initial Product Type Testing 30-14248/2/TZ of 2019-03-20, issued by the Engineering Test Institute, Public Enterprise. The Final Report contains the conclusions drawn from the assessment and the data essential for the product identification.

The Certificate is valid **until 2021-03-31** provided the holder does not violate the rules for using the Certificate.

This Certificate does not substitute for a relevant document issued by an authorized body.

The rules for using the Certificate are specified on Page 2.

Brno, 2019-03-25

RULES FOR USING THE CERTIFICATE

For the purposes of placing the products on the market, this Certificate may be used within the period of its validity and provided the provisions of the standards, according to which the products have been certificated, remain valid. If the normative documents applicable to the certificated products have changed or new normative documents have been issued, the usability of this Certificate must be reviewed.

This Certificate may only be used as a certificate for the products specified on Pages 1 and 2. This also applies to its use in advertising, promotional and commercial materials. Unauthorised or deceptive use of the Certificate may result in its withdrawal.

It is prohibited to change, amend or overwrite the data contained in the Certificate.

The Certificate may not be used for the products changed without consent of the Engineering Test Institute, Public Enterprise, in such a way that conformity with the standards specified on Page 1 has been affected.

Certification Body requires the holder of this Certificate to keep records of all the complaints and corrective actions relating to the products covered by this Certificate.
